

Thank you for your interest in the ESDaP diploma.

The courses will be online only this year as it was last year. Usually, the participants follow one course a year and we recommend it. However, we accept 2 courses successively if it is in the same level. This will need hard work. And this is depending on a free place as the group from last year will probably continue. Actually, you will be on a waiting list.

Level 1 Part 1

The access to the platform will open the 1st of October. The 3rd of October there will be a video meeting to get together and answer the technical issues. The Moodle Platform we are using may not be familiar to everyone.

You will have to prepare a clinical case to upload and present.

During the 3 announced days for Level 1 Part 1 (7-8-9 of October) we will have video meetings 2 to 3 hours a day depending on the local times of the different participants. You should be free during those days as we don't know yet the best moment to reach everyone. There will be also chat sessions before and after the video meetings. We have kept those online meetings for the practical exercises. The theory will be presented in video recordings. On Friday the 15th of October, you will have to pass a MCQ on the different topics. This is possible the whole day but your time to fill it in is limited.

On Sunday the 17th of October there will be a diploma ceremony on the time chosen like for the courses.

Level 1 Part 2

For this and the following levels you will have to prepare and present a clinical case and a lecture of maximum 20 minutes + 10 minutes discussion on one topic in the program with one of your colleagues. There will be also practical exercises in trio with 2 other colleagues at a day and time you can decide together.

The access to the platform will open on Saturday the 16th of October and there will be a video meeting the same day to get together and decide the topic you will present and with whom. During the 3 announced days for Level 1 Part 2 (21-22-23 of October) we will have video meetings 2 to 3 hours a day depending on the local times of the different participants. You should be free during those days as we don't know yet the best moment to reach everyone.

On Friday the 29th of October you will have to pass the MCQ, the same way as for level 1 Part 1.

On Sunday the 31 of October there will be a diploma ceremony on the time chosen like for the courses.

Level 2 Part 1

For this and the following levels you will have to prepare and present a clinical case and a lecture of maximum 20 minutes + 10 minutes discussion on one topic in the program with one of your colleagues.
